NATIONAL STUDENT LEADERSHIP CONFERENCE
June 28, 2022

To: Directors of Admission

Re: Rivaan Nath

Dear Director of Admissions:

It is with great pleasure that I write this letter of acknowledgement for Rivaan Nath as part of the college admissions process. In the summer of 2022, Rivaan attended the National Student Leadership Conference (NSLC) at UC Berkeley. The NSLC is an extraordinary leadership program for outstanding high school students. Student scholars are selected to participate from across the United States and from more than 70 different countries based upon academic excellence, extracurricular involvement and demonstrated leadership ability.

Rivaan attended the NSLC on Medicine & Health Care.

It is our belief and philosophy that students become more effective leaders by developing the core values that will guide their future. Through participation in this program, students not only develop a better understanding of their leadership skills, but their ability to think on their feet, to engage in critical analysis, and to effectively communicate - skills that will serve them well on their academic journey.

Students also develop a sense of independence and responsibility. They leave with a true feeling of accomplishment and confidence in their ability to handle the challenges that lie ahead. Rivaan is an excellent student who has demonstrated maturity, dedication and an ability to work well with a diverse group of students. Rivaan Nath is certainly one of our world's most promising young leaders.

For additional information please feel free to contact our office directly at 1-800-994-NSLC or write to the address set forth above.

Sincerely,

Rick Duffy
Executive Director
